Sometimes the best way to correct a dancer's technique is through manual guidance. This may involve the teacher moving the dancers limbs into the correct position. This technique is used rarely, all our teachers are qualified and experienced. Please tick the box below if you are unhappy with this teaching method.

PUBLICITY MATERIAL

Just Dance produces adverts and other publicity material which often includes photographs of the children. Children are never identified by name in these materials. If you are happy for me to use photographs of your children please indicate below:

I do / do not give permission for photographs of my child/children to be used in publicity material by Just Dance.

JUST DANCE WEBSITE

The website will be occasionally updated with new photographs. We have given careful thought to safety issues and developed the following guidelines:

- Children's names will not be used on the website
- The photographs will have a low resolution so it may not be expanded without losing definition

If you are happy for Just Dance to use photographs of your children either now or in the future on the website please indicate below:

I do / do not give permission for photographs of my child/children to be used on the Just Dance website.
